

PROXIMA HOTEL

OUR INVITATION TO PARTNERS

- ✓ *By avoiding the use of sunscreens, deodorants, and other personal care products containing compounds harmful to biodiversity and living organisms, you can help minimize their negative impact on the environment.*
- ✓ *When visiting historical, natural, cultural, or religious sites, you can help preserve these treasures for future generations by respecting and following the rules and guidelines of each location.*
- ✓ *By supporting the efficient use of natural resources within our facility, you contribute to leaving a healthier and more livable planet for future generations.*
- ✓ *By refraining from purchasing or selling products and souvenirs made from endangered species, you can help protect and sustain wildlife.*
- ✓ *If you encounter a wild animal during your holiday, you can contact the Wildlife Advisory Line (0850 44 34 993) to receive guidance on the appropriate and safe course of action.*
- ✓ *By choosing eco-friendly and public transportation options, you can reduce your carbon footprint and help support cleaner air.*
- ✓ *By helping us reduce and separate waste, you ensure that materials are sent for recycling rather than ending up in landfills.*

We welcome your feedback and suggestions regarding our sustainability practices, which aim to leave a more livable planet for future generations.
